

<b>Building</b>
Replace side ventilation panels with dynamic walls / slide glass windows
Add extra rain draining pipes
Fire and utility doors rubber sealing
Dust / Cleaning / Quart floor maintenance
Office architectural works
Landscaping - exterior
<b>Electric network</b>
MV (medium voltage) power distribution
MV Switchgear & MCC
Protection relays
Distribution transformer
Active voltage conditioning
Network Management - SCADA
Backup generator: Electrogen 3 phase 400 KVA
Diesel generators Electrification
Uninterruptible Power Systems (UPS)
UPS products: UPS Powersave Defender DSP 33100 100 KVA
Batteries: UPS Legrand Megaline 1250
Transfer switch
Building automation
Remote power panels
Power Measurement (KNX/EIB)
Security Systems
Lighting system: ECOSUN 3600W
Security Alarms
Smoke / Fire detectors: SIGA PCD EDWARDS
LV (low voltage) power distribution
LV Switchgear & MCC
Intelligent PDUs
Active filters
Power factor correction: 400KVA
Network Analyzer
Electric Cable: medium tension: 6 meters NA2XS2Y
Electric Cable: low voltage 2200m
Electric plugs
Electric busbar: 50x20m / price by weight KG
Installation services
Project Management and Architecture / Plan / Legal
Site organization: tools, work security, debris evacuation, etc
<b>Data Network</b>
Network Cable

Network Gigabit Fibre Switches (Mellanox Preparation) CISCO
Network Plugs
Metallic busbar: 50x20m / price by weight KG
Installation services
<b>Fire Protection System</b>
Water Tank activation
Water Pit: meters
Water Pit: pipes system: meters
Installation services
<b>Ventilation System</b>
Cooling and ventilation system
Thermal agent distribution: meters
Thermal agent distribution: water chillers
Installation services
Project documentation book: required by public authorities
